

# Moving Washington forward: One innovation at a time

## Washington's Community and Technical Colleges

# Innovative Washington - Leading Nationally

- American Graduation Initiative
- I-BEST
- Student Achievement Initiative

# Innovative Washington – Leading Statewide

- **Strategic Technology Plan**
- **Worker Retraining program**
- **Applied baccalaureate programs**

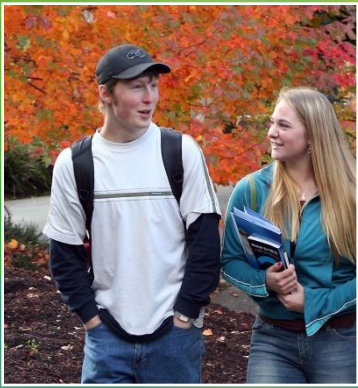

# Innovative Edmonds Community College - Leading Locally

- “Green Collar” job training
- 10 National Science Foundation grants

# Innovative Edmonds Community College - Leading Locally

- Edmonds Community College has received national recognition for its materials science technology, digital forensics, and construction and project management programs.

# **Your local community or technical college is here to serve you!**

- **How can the college help fill your business needs?**
- **Help us tell that story.**
- **Talk to your local officials, state legislators and congressional leaders.**
- **Innovation starts right here!**
