**SBCTC considers answers in this Questions and Answers (Q&A) document to be the only official source for answers related to this funding source, aside from the Program Guidelines. Questions (Q) and answers (A) are presented in reverse order, showing the most recently received questions at the top of the document. This is so that schools may check back frequently during the application process and easily see new Q&As. This document will be updated through Monday, February 24, 2025.**

**Q: Regarding expansion resources, is the \$25,000 cap the total allowable amount per contract, or is a separate funding of \$25,000 available for both equipment and training space expansion within the same contract year?**

**A:** You can include a maximum request of \$25,000 for equipment expansion needs, and \$25,000 for space expansion needs. Requesting the maximum level for both would be a total of \$50,000 in your application for expansion resources.

**Q: I was unable to attend the January 28 webinar. Is there a recording available?**

**A:** The link for the webinar recording is posted on the grant webpage. You can find all the grant information and resources here: <https://www.sbctc.edu/colleges-staff/grants/cdl-fund>. Link to the video recording: <https://youtu.be/e87VS-odebc>.

**Q: Can a school save an incomplete application and then return and pick up where they left off?**

**A:** Yes, you can save an incomplete application and return to it later. When you log back in, and your application was saved, it will show up as “in process”. There will be an option to “edit” on the left-hand side of the grant name/application.

**Q: I understand that the WA CDL Grant may be used to help students with their childcare and some other types of needs so the student can go to school. Can we reimburse the student for those costs?**

**A:** The WA CDL Grant can only be used to reimburse the PCSC/SD for direct expenditures that they make on behalf of students. Schools must pay directly for childcare or other fees and may not reimburse students for these expenses.
