

## Flow Chart for Step 3: Identify students who are good candidates for ATB

Communicate students eligibility status to financial aid

Save or file ATB eligibility documentation

- Educational Plan
- Career Pathway documentation

Assign each student to a student navigator and develop detailed Educational Plan including: strategy and timeline for completing the HS credential

Screen interested students for ATB eligibility  
\*financial need \* career pathway \*academically capable

Market and outreach to potential students

### Potential students who would benefit from ATB

Adult Basic Education Students

- GED students
- HS Completion students
- IBEST students

Financial Aid applicants without a high school credential

Former Running Start students who did not graduate from high school
